In consideration of being permitted to participate in any way in the North Shore Cyclists (NSC) Blazing Saddles Century; I, for myself, my personal representatives, assigns, heirs, and next of kin:

1. Acknowledge, agree and represent that I understand the nature of bicycling activities and am qualified to participate in such activity. I further acknowledge that this activity will be conducted over public roads and facilities open to the public during the activity and upon which the hazards of traveling are to be expected. I further agree and warrant that if at any time I believe conditions to be unsafe, I will immediately discontinue further participation in the activity.
2. Fully understand that (a) Bicycling activities involve risks and dangers of serious bodily injury, including permanent disability, paralysis and the risk of death. (b) These risks may be caused by my own actions or inactions, the actions or inactions of others participating in the activity, the condition in which the activity takes place, or the negligence of the other participants. (c) There may be other risks and social and economic losses either not know to me or not readily foreseeable at this time: and I fully accept and assume all such risks and all responsibility for losses, costs, and damages I incur as a result of my participation in the activity.
3. Hereby release, discharge, covenant not to sue, and agree to indemnify and save and hold harmless NSC, the League of American Bicyclists (LAB), their representatives, administrators, directors, agents, and employees, other participants, and any sponsors, advertisers, and if applicable, owners and lessors of premises on which the activity takes place, (each considered one the participants herein) from all liability, claims, demands, losses, or damages on my account caused or alleged to be caused in whole or in part by the negligence of the participants or otherwise, including rescue operations.

I have read this agreement, fully understand its terms, understand that I have given up substantial rights by signing it and have signed it freely and without any inducement or assurance of any nature. I intend it to be a complete and unconditional release or all liability to the greatest extent allowed by the law and agree that if any portion of this agreement is held to be invalid, the balance, not withstanding, shall continue in full force and effect.
